City Council Adopts Stormwater Management Ordinance

In an effort to improve the quality of lakes, streams and wetlands and to meet environmental mandates, the City Council adopted regulations related to stormwater management on November 15, 2011.

The ordinance describes when certain stormwater improvements (such as retention ponds, raingardens, and other similar features) will be required to be constructed on property. This includes new development, as well as when impervious surfaces are expanded on existing property such as expansions of existing buildings and parking lots. The ordinance is accompanied by Design Guidelines which are intended to assist property owners in designing these improvements and to provide information on innovative practices. For more information, please contact the Planning Department at (763) 473-4643.

2012 Park Commission & Planning Commission Vacancies

The City is seeking residents to serve on the Medina Park Commission and Planning Commission. On each commission, there are three seats up for appointment/re-appointment effective January 2012 for three-year terms.

The seven-member Park Commission serves as a volunteer recommending body to the City Council and meets the third Wednesday of each month at 7 p.m. in Medina City Hall.

The seven-member Planning Commission serves as a volunteer recommending body to the City Council and meets the second Tuesday of each month at 7 p.m. in Medina City Hall.

Interested applicants may pick up an application at City Hall or via the City's website at www.ci.medina.mn.us. **Deadline for applications is Friday, December 16th.**

Deer Proofing Your Yard

The deer population continues to grow and be very healthy in Medina. The Police Department often receive calls about the deer being in people's gardens and yards. We have put together a list of ideas on the city's website at www.ci.medina.mn.us that you can consider using to keep the deer off your property and out of your gardens.

Community & Public Safety

Designate Your Property on the No Hunting Map

As part of the hunting task force that was assembled in early 2011, one of our recommendations to the City Council was to develop a no hunting map for the City of Medina. We are offering Medina residents in the rural residential area where hunting is allowed the opportunity to have their property labeled as "No Hunting". Residents should contact the Medina Police Department through email and request their property be put on this map designating it as no hunting. This map will then be distributed with hunting permits so that the hunters know up front that your property has been designated as no hunting.

Requests should be sent to anne@ci.medina.mn.us. If you have any further questions, please feel free to call the Medina Police Department at 763-473-9209.

Hamel Fire Department News

The Hamel Volunteer Fire Department has established a social media presence on the Internet to improve communications with the community they serve. Individuals interested in a periodic newsletter on fire and public safety topics can email the Hamel Volunteer Fire Department at newsletter@HamelFire.org or follow the Department on Facebook (<http://www.facebook.com/HamelFire>) or Twitter (@HamelFire).

Hamel & Loretto Fire Departments Shared Services Feasibility Study Presentation

A feasibility study is being conducted on the possibility of shared services between the Hamel and Loretto Fire Departments. Emergency Services Consulting International will be presenting the feasibility study results to whomever is interested on Thursday, December 15th at 7:00pm at St. Peter and Paul Church Community Center in Loretto.

Recycle Your Holiday Lights

As you decorate for the holiday season, you may come across tangled strings of holiday lights that no longer work. Residents are reminded that they can recycle those lights throughout the year in your current curbside recycle bin at no additional charge through Randy's Environmental Services.

The strings of holiday lights are disassembled and all the parts, including the copper wires and light bulbs, are recycled.

Holiday Train

The Holiday Train is scheduled to stop in Loretto on Tuesday, December 13, 2011, at 4:15 pm. Activities for kids will begin at 3 pm on West Railway Street. These activities include a horse and wagon ride and kiddie train rides. Santa and his helper will also be there. Please bring food items to donate to the local food shelves. Monetary donations will also be accepted. For more information please visit www.lorettomn.govoffice2.com.

City Business Profile: West Financial Credit Union

West Financial Credit Union is located at 3575 Sioux Drive, Medina 55340, on the corner of Hwy 55 west and 101 North. After 53 years of providing banking services in Plymouth, West Financial moved its headquarters to its new branch in Medina. West Financial is a community Credit Union offering full-service banking and financial services as well as insurance planning to individuals, families and businesses in Medina, Hamel, Plymouth, Wayzata, Corcoran, Loretto, Greenfield and Independence.

As a Credit Union, the customers are member owners. Credit Unions operate as a non-profit, thus all earnings less operating expenses and reserve requirements are given back to the members in the form of lower rates and enhanced services. Credit Unions believe in providing the products that fit best to each individual member, not the products that make the most money for their shareholders.

Stop in and talk to one of the seven employees in the Medina location or visit their website at www.westfinancialcu.com.

Toys For Tots

The Medina Police Department, along with Medina City Hall, Farmers State Bank of Hamel and 21st Century Bank of Loretto, will be drop off sites for the KARE 11 2011 Toys for Tots Drive. Please bring a new, unwrapped toy to any of the above drop sites by Friday, December 16th. Our officers will be delivering the toys to KARE 11 on December 19th. Refer to the KARE 11 website for further details.

Medina Celebration Day was held on Saturday, September 24th, at Hamel Legion Park. The City was excited to see what appeared to be a record number turn-out this year from the community and businesses. The afternoon was filled with many great activities for young and old alike, including a business expo, bingo, inflatable bounce, pumpkin decorating and games, face painters, North Aircare helicopter, two police vehicles, K-9 police dog demonstration, door prize drawings, as well as a great fireworks display, sponsored by area businesses and residents.

North Aircare Helicopter landed and gave tours at the celebration.

You won't want to miss next years' celebration, which will be held on Saturday, September 22nd.
