(15002003) Shots Heard **Reported:** 03-30-2015 1809

Individual, who wished to remain anonymous, reported a male was discharging a .22 caliber rifle in this area and that this is an ongoing issue. Individual said this male, who he believed lived in the development, commonly goes out onto the Preserve property and discharges the weapon. Officer began to walk out to the property and while doing so, did hear some shots being fired; however, they did not sound to be from a rifle. Officer was able to make contact with 14-year-old who was discharging a .22 caliber spring firing pellet gun. He was advised he was not allowed to discharge the firearm on the City property. He then brought him home and made contact with his father and advised his father of the same who said his son would no longer be firing the weapon on that property. He was also advised that the targets would also need to be removed since they were on City property. Verbal warning was issued.
