> PUBLIC SAFETY p: 763-473-9209 f: 763-473-6939

To: Medina City Council

The City of Medina Staff is pleased to submit the 2017 proposed Comprehensive Annual Budget and property tax levy for your consideration of final approval on December 6, 2016. This 2017 budget reflects the Council's property tax levy and budget discussions throughout 2016. When approved, this budget will be the basis for the final 2017 property tax levy to be certified to Hennepin County in December 2016. The County will then use the certified property tax levy for final 2017 property tax calculations.

Medina's population as of the 2010 census was 4,892 residents living in a total of 1,702 housing units. 2016 population is estimated to be 6,504, based on mathematical estimations of Medina's fire districts. Total taxable market value increased 6.3% from \$1.491 billion in 2016 to \$1.585 billion in 2017. Adjusted net tax capacity increased 6.5% from \$16.085 million in 2016 to \$17.124 million in 2017.

The budget proposes a General Fund property tax levy increase of 91,310 for 2017, which is an increase of 3.0%. Pre-existing debt service levies have decreased by 30,708; largely due to the 2016 Tower Drive debt levy decreasing from 1 ½ years to 1 year for rate of collection. The overall total levy increase for 2017 amounts to 60,329.

Property Tax Levy:	2016	2017	Change
General Fund	\$3,043,667	\$3,134,977	\$91,310
Capital Equipment	134,500	134,500	0
Equipment Debt Service	0	0	0
Road Improvement Debt Service	192,020	161,312	95,520
Building Debt Service	378,462	378,189	(210)
Total Levy	\$3,748,649	\$3,808,978	\$60,329

The General Fund Budget reflects the revenues and expenditures developed from the City's service needs, trend analysis, the annual goal setting session, joint work sessions with the City Council and Staff, and City Council discussions. The expenditure levels are focused on maintaining the City's current level of services and to address capital, maintenance, or special project needs.

December 6, 2016

GENERAL FUND REVENUES:

The total budgeted revenue for 2017 is \$4,309,741 compared to the 2016 budget of \$4,253,394. As has been true in the past, these revenue estimates are based on conservative assumptions.

With the proposed general operating levy increase of 3.0%, property tax collections in the General Fund are projected to increase from \$3,043,667 in 2016 to \$3,134,977 in 2017. As in prior years, the City continues to receive the largest portion of the General Fund revenue from the property tax. In 2017, the tax levy will provide approximately 73.0% of the City's total General Fund revenues.

Licenses and Permits are estimated to remain steady at \$372,800 in 2017. This reflects the expectation that building activity will continue due to current platting activity.

The Intergovernmental revenue budget is projected to remain the same at \$220,618 in 2017. There are no scheduled increases related to the Safe and Sober program and state aid.

Budgeted transfers in to the General Fund from the Water, Sewer, and Storm Water funds have increased from \$196,164 in 2016 to \$202,048 in 2017 based on a 3% increase per year.

GENERAL FUND EXPENDITURES:

General Fund expenditures are budgeted to increase from \$4,253,394 in 2016 to \$4,309,741 in 2017. General government expenditures are budgeted to decrease \$2,001 or 0.2%, largely due to continued decrease in consulting services. Public safety expenditures are budgeted to increase \$6,029 or 0.3%. Parks and recreation expenditures are budgeted to increase \$16,657 or 8.97%, due to the addition of a part-time park staff position; while public works expenditures are budgeted to increase by \$35,662 or 5.1%. Capital replacement acquisitions will continue to be transacted through other funding sources or reserves on an as needed or emergency basis only.

Personnel costs represent 59% of the General Fund Budget. A 2.0% cost of living adjustment (COLA) and defined pay grade step (step) increases are included in the 2017 budget for qualifying employees.

OTHER FUND BUDGETS

In addition to the City's General Fund Budget and proposed property tax levy, the City also has a number of other Special Revenue, Capital Projects, Debt Service, and Enterprise fund budgets. While a profile and proposed budget of each fund is included in this budget document, a brief summary of each fund's key changes should be noted to understand the impact on meeting future City service needs.

<u>Community Event Fund</u>: The City has depended on donations to fund the fireworks display at the annual Medina Celebration Day event. Additional donations will again be needed in 2017 to fund a fireworks contract for the event. To assist in the event funding, a \$2,000 transfer in from the General Fund is budgeted for 2017.

<u>Tower Drive Improvement Fund:</u> The Tower Drive improvement project was originally included in the City's CIP as a bonding and expenditure item for 2015. The project was needed to address water and sewer infrastructure, storm water pond drainage issues and road improvements. In 2015, the City financed the project by issuing \$1.765 million of G.O. Capital Improvement Plan bonds, existing utility funds and Municipal State Aid funds. Final completion of the project is projected year-end 2016.

<u>Water Utility</u>: The City's Water Rate Analysis demonstrated the need for a 3% rate increase in user rates and no current increase in the trunk connection fees.

<u>Sewer Utility</u>: The City's Sewer Rate Analysis includes a 3% rate increase in user rates and no current increase in the trunk connection fees.

<u>Storm Water Utility</u>: A 3% increase in the Storm Water Utility rate has been included in the 2017 budget. The storm water utility revenue supports administrative costs for annual reporting, pond maintenance, etc. and will be used as matching funds for capital project completion. The CIP for storm water projects is large and completion of the projects is highly contingent on receiving grant or cooperative funding from other agencies and partners.

The remaining portions of this document provide greater detail on individual fund sources and uses budgets. Supplemental information can be obtained from the Finance Department.

FINAL COMMENTS

I herewith submit the Preliminary 2017 Comprehensive Annual Budget to the City Council. It has been a pleasure to work with the City Council and staff to prepare this document. This budget has been prepared based on the direction given by the City Council to date and the best estimates of staff of the available revenues and the expenditures required to reasonably maintain core levels of services without significantly compromising quality of life for Medina taxpayers.

Respectfully Submitted,

Erin Barnhart Finance Director

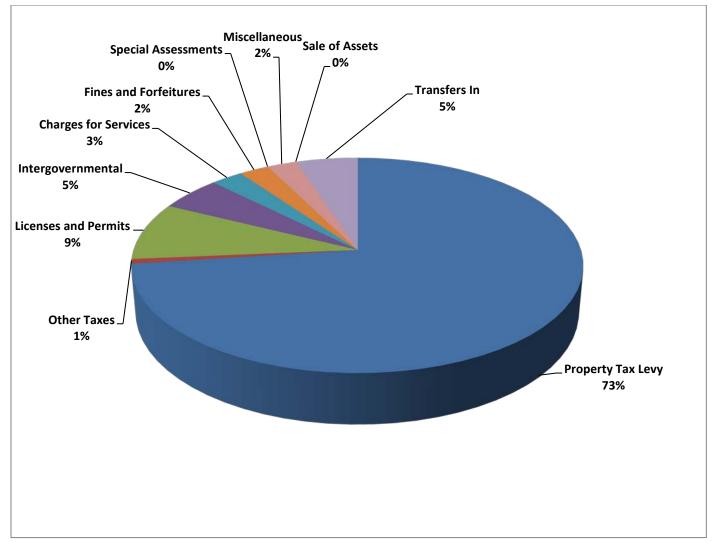

THIS PAGE LEFT BLANK INTENTIONALLY

General Fund

The General Fund is the primary operating fund for the governmental operations of the City. Activities enabled by General Fund planning include police protection and community support, fire prevention and suppression, planning and zoning, street maintenance and repair, parks and recreation, sanitation and waste removal, as well as engineering, legal and general administrative functions.

General Fund Revenues

PROFILE

Revenues for all General Fund operations, regardless of the department responsible for charging and collecting them, are all listed jointly in the revenues section of the budget document. This includes all revenues from property taxes to recreation charges for activities. The primary breakdowns for revenues in the General Fund are:

- ➤ Taxes
- Special Assessments
- Licenses and Permits
- Intergovernmental Revenues
- Charges for Services
- Fines and Forfeitures
- Miscellaneous Revenues

REVENUE DETAILS

Property Taxes \$ 3,134,977

These are the General Fund property taxes charged to all taxable properties in the City of Medina based on the tax capacity of each property. The 2017 budget is 1.3% greater than the 2016 budget. Property Taxes make up about 73% of the total revenues and other sources collected to provide General Fund services.

Licenses and Permits \$ 372,800

These are charges for items that state statutes have granted authority to issue and the fee amounts are generally authorized on an annual basis within the City's fee schedule. The City estimates these amounts conservatively as these amounts can vary considerably from year to year. Types of fees included are liquor and cigarette licenses, and building, plumbing, and hunting permits.

Charges for Services \$ 112,831

Cities may receive revenues for services provided. The main sources of revenue are from public safety services and community room rentals. Other charges include election filing fees, sales of maps and copies, and assessment searches.

These three revenue sources, property taxes, licenses and permits, and charges for services, together make up approximately 85% of the City's general operating revenues and other sources. The balance comes from fines and forfeitures, intergovernmental activity, antenna rent, and operating transfers.

General Fund Expenditures

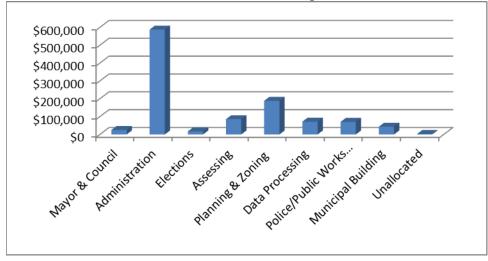

GENERAL GOVERNMENT OVERVIEW

PROFILE

The General Fund General Government consists of City Council, Administration, Elections, Assessing, Planning & Zoning, Comprehensive Plan, Data Processing, and Municipal Buildings.

GENERAL GOVERNMENT – MAYOR AND COUNCIL

PROFILE

The City Council is comprised of the Mayor and four Council Members. All are elected at large. Under the City's Council-Administrator form of government, the City Council exercises the legislative authority of the City. The City Council is responsible for formulating City policy, enacting legislation, adopting the annual budget, levying local property taxes, and appointing members to advisory boards and commissions. Members of the City Council also constitute the Board of Appeal and Equalization, and the Canvassing Board for municipal elections.

The City Council budget includes expenditures related to compensation, memberships, subscriptions and training of its members. Printing expenditures are also included for the flier Council has chosen to insert with the County's proposed tax statements over the past few years.

GENERAL GOVERNMENT – ADMINISTRATION

PROFILE

The City Administrator is the Chief Administrative Officer of the City. It is the Administrator's duty to properly administer all affairs relating to the City. The Administrator provides management of the City to ensure that all City Council policies and directives are carried out. Activities include coordinating recommendations to the City Council on financial, legislative, and management issues and to serve as a liaison between the Council, advisory boards and commissions, consultants, other levels of government, the media, and the public.

The Administration budget includes expenditures related to general administration, human resources management, information technology, legal, contract management, statutorily required clerk services and financial management including: budgeting, debt management, investments, vendor check processing, special assessments, public improvement financing, and risk management.

BUDGETED PERSONNEL LEVEL

STAFFING HISTORY & PHILOSOPHY

- In 2006, a Finance Director position was added to bring financial functions in house from the consultants and previously assigned to the City Administrator. The position created investment strategies to provide cash flow and conserving capital, while maximizing investment income revenue.
- In 2007, an Accountant was added to handle utility billing and the processing of development reimbursable items, as well as to improve segregation of accounting and finance duties, assist in enhancing the accuracy of financial reporting, and to meet the demands of City growth. This position also provided support for the additional 250 utility accounts added through new development.

GENERAL GOVERNMENT – ADMINISTRATION (continued)

- In 2008, the position of Assistant to the City Administrator was reassigned from an Administrative Assistant position to assume all statutory clerk functions (as Deputy Clerk), duties in human resource management, elections, public relations, information technology, contract management and liaison to parks and the community building previously held by the City Administrator.
- In 2008, an Accounting Technician position was created to replace the retiring Deputy Clerk. The position also provided resources for the newly created Storm Water Utility which added an additional 2,500 accounts, as well as monthly utility billing in 2009.
- In 2012, an Assistant Finance Director position was created to replace the Accountant position as well as to cover added responsibilities acquired due to a vacant Finance Director position in interim status with a contracted consultant.
- In 2015, the Finance Director position was filled eliminating the Assistant Finance Director position and reducing consultant hours. Additionally, a half-time Accountant position was filled.
- In 2016, the budget includes the reassignment of the position Assistant to the Administrator to Assistant Administrator/City Clerk.

GENERAL GOVERNMENT - ELECTIONS

PROFILE

The City Clerk's Office is responsible for administration of elections, including supervision of elections and voter registration. The Clerk's Office ensures elections are handled in accordance with State, Federal, and County regulations. The Clerk's Office oversees all activities related to City elections including notices, materials, and certification of process. Additionally, the Clerk's Office arranges polling places and sets up voting equipment. The Clerk's Office also supervises the recruiting and training of election coordinators and judges, and oversees the maintenance of voter registration files.

Section 200 of the Medina City Code provides for regular municipal elections to be held in evennumbered years only.

STAFFING HISTORY & PHILOSOPHY

- Although internal staff provides a service to this department every year and significantly during an election year, no time is allocated due to the fluctuation in activity during off election years. The General Administration budget contains the staffing resources to conduct the City's elections.
- In 2006, City Staff restructured the flow of the election coordination by increasing internal staff administration and decreasing part-time hiring by 30%.
- In 2008, the City established a second precinct, which led to additional hiring of part-time election staffing.
- In 2010, City Staff enacted additional efficiencies in election coordination and shifts to reduce part-time hiring.
- In 2012 additional shift hours were added for an additional absentee precinct at the primary and general election. This was also a presidential election and required more staffing.
- In 2014 two part-time election judges were hired to administer absentee voting.
- 2015 is a non-election year. Shift staffing is not necessary.
- 2016 one full-time election judge was hired to administer absentee voting along with staff. Presidential election and no excuse absentee voting implemented. Additional election judges for office help will be needed for future presidential elections.

GENERAL GOVERNMENT - ASSESSING

PROFILE

The primary function of the City's Assessing services is to provide the accurate classification and valuation of all real, personal and exempt property, including the value of all improvements and structures thereon, located within Medina at maximum intervals of five years. In addition, the Assessor maintains a data base and affiliated files, including property characteristics and photographs on all parcels, provides computerized reports and responds to requests of the Minnesota Department of Revenue, Hennepin County, City departments and members of the general public.

The City Assessor also attends and coordinates the City's Local Board of Appeal and Equalization hearing, commonly held in April each year and provides valuation information to the City to determine park dedication fees when properties subdivide.

BUDGETED PERSONNEL LEVEL AND STAFFING HISTORY & PHILOSOPHY

The City continues to utilize contracted assessing services. On a regular basis the City receives competitive quotes for this service. The contract services the City engages in are more economically feasible than hiring full-time staff. The City currently contracts with Rolf Erickson Enterprises Inc. South West Assessing for assessing services. No staffing is allocated to this department.

GENERAL GOVERNMENT – PLANNING AND ZONING

PROFILE

The Planning and Zoning department is primarily responsible for the drafting and enforcement of the City's zoning and subdivision ordinances (Chapter 8) and also for coordinating the Comprehensive Plan. The department has considerable contact with various members of the public on matters related to property in the City including residents, business owners, contractors and builders, potential buyers, developers, realtors, appraisers, flood insurance agents, and other similar persons.

The department manages the review process of all land use and development applications including: subdivisions, site plan reviews, planned unit developments, conditional use permits, rezoning, variances, and other appeals. This process includes meeting with potential applicants prior to an application, reviewing requests for consistency with City regulations, preparing memoranda to assist the City officials, and drafting resolutions and ordinances. The department also coordinates the development process after a project is approved, which entails drafting documents such as easements and development agreements and verifying that all terms and conditions applied to a project are followed.

Assistance is provided to the Planning Commission, including supplying monthly information packets, maintenance of Commission meeting agendas and minutes, and distribution of public hearing notices.

Geographical Information System (GIS) and mapping services for all City departments are provided by this department. This includes obtaining and maintaining relevant data and creating maps and providing spatial analysis when requested.

The department inspects for compliance with zoning and nuisance regulations and carries through with enforcement activities when necessary. This includes unlicensed/inoperable vehicles and property maintenance, and property manure management practices.

BUDGETED PERSONNEL LEVEL

STAFFING HISTORY & PHILOSOPHY

- In 2004, the City created the position of full-time City Planner, as opposed to utilizing only outside consultants to meet the demands of the City's growth and land use applications.
- In 2008, the department was restructured to provide or enhance professional planning and zoning services in the areas of land-use review, building permit review, ordinance revisions, use of GIS, as well as code and septic enforcement.
- In 2016, the City Planner was reassigned as Planning Director and the Planning Assistant was budgeted and reassigned at Associate Planner.

GENERAL GOVERNMENT – COMPREHENSIVE PLAN

PROFILE

The City's Comprehensive Plan is updated every ten years and establishes the vision and sets the course for the City looking out two decades to guide future residential growth, economic development, and investments in City services such as natural resources, parks, recreation, transportation, and water resources. The current update is expected to be completed by the end of 2016.

GENERAL GOVERNMENT – DATA PROCESSING

PROFILE

The main function for Data Processing is information technology (IT). This covers annual licensing fees and web based programs, as well as copier/printer leases. Also included are maintenance costs for workstations and servers necessary to maintain the City's electronic records and management. In 2014 video recording and editing of City Council meetings was implemented.

BUDGETED PERSONNEL LEVEL AND STAFFING HISTORY & PHILOSOPHY

This service is provided on a contractual basis. No staffing is allocated directly to this department and staff coordination is budgeted from the General Administration budget.

GENERAL GOVERNMENT – POLICE/PUBLIC WORKS FACILITY

PROFILE

The former Clam Corp building at 600 Clydesdale Trail was obtained in 2012 and improved in 2013 for use as the Medina police/public works facility. The Police/Public Works Facility department provides for the ongoing cleaning, maintenance and repair of the building. Public Works and Police departments contract or perform all maintenance on building and/or equipment.

BUDGETED PERSONNEL LEVEL

The personnel from the Public Works and Police departments provide these services within the scope of their existing duties.

STAFFING HISTORY & PHILOSOPHY

The Public Works and Police departments are responsible for these activities.

<u>GENERAL GOVERNMENT – MUNICIPAL BUILDING</u>

PROFILE

The Municipal Building function provides for the ongoing cleaning, maintenance and repair of government buildings including City Hall. Other facilities, such as Hamel Community Building, Field House, and Hamel Water Treatment Plant have expenditures charged directly to their respective departments. Public Works contracts or performs all maintenance on building and/or equipment, as well as mowing, work on garden beds, heating/cooling, plumbing, painting, parking lot, electrical, and water softener upkeep.

BUDGETED PERSONNEL LEVEL

The personnel from the Public Works department provide these services within the scope of their existing duties.

STAFFING HISTORY & PHILOSOPHY

The Public Works Department is responsible for these activities with minor contracting and maintenance contracts used for specific items. The Administration Department provides contract management for the various service contracts to these areas.

GENERAL GOVERNMENT – UNALLOCATED INSURANCE

PROFILE

Insurance coverage costs include insurance policy premiums, agent services and provisions for deductible amounts. Under Minnesota Statutes, the City is obligated to contract with an insurance agent to procure any policies deemed appropriate. It is anticipated that the agent selected will provide advice and recommendations regarding exposures, policies and options for the City. The League of Minnesota Cities Insurance Trust (LMCIT) has added a risk management component to its operations that provides a review of identified exposures and advice as to how the City can minimize potential for claims.

NOTE: In years prior to 2015, the City did not allocate insurance policy premiums to existing City departments. For the 2015 budget and forward, the City intends to allocate insurance costs by department.

PUBLIC SAFETY OVERVIEW

PROFILE

The General Fund Public Safety departments include Police Services, Police Records Management, Fire Services, Building Inspections, and Emergency Management activities. These categories relate directly to making the City of Medina a safe place to live and work. These services are necessary to address mandated requirements by State and Federal laws. It is the responsibility of the local unit of government to protect their citizens and property.

		2017	Amount	Percentage

2017 Public Safety Expenditures

PUBLIC SAFETY – POLICE

PROFILE

The Police Department provides for police administration, public safety services, investigation, and patrol. The Public Safety Director provides leadership and management oversight by coordinating and administrating all divisions within the department. The Public Safety Director is responsible for overseeing multiple strategies by ensuring accountability and allocating resources. Sworn, uniformed officers respond to calls-for-service of both emergency and non-emergency nature. In addition, police services conduct proactive patrol in residential and commercial areas to deter crime and increase traffic safety. Officers seek to make a positive difference in the lives of the residents of Medina and the community. Community Service Officers are utilized to perform police-related duties that do not require a sworn police officer. The investigative process includes, but is not limited to, carrying out interviews and interrogations, recording and witnessing formal statements, conducting line-ups, performing surveillance, gathering and processing evidence, reviewing and analyzing the data gathered, writing and serving search warrants, and disseminating information to fellow officers within the department and agencies outside the police department.

BUDGETED PERSONNEL LEVEL

STAFFING HISTORY & PHILOSOPHY

- Medina began providing contractual police services to Loretto from the date of inception.
- In 1998, scheduling was structured to provide response to all emergencies, 24 hours a day, seven days a week, 365 days a year.
- In 2003, the drug task force was formed and a position was designated to address drug related issues. In 2005, that position was backfilled for general patrol duties.
- In 2004, the Sergeant position was created to increase the supervision and accountability of the patrol division and to work on investigations.
- In 2007, an Investigator was added to do all in house investigations.
- In 2007, a part-time Transcriptionist was added to increase efficiencies within the department.
- In 2013 the Police Chief position was elevated to the Public Safety Director position.

PUBLIC SAFETY – FIRE

PROFILE

The purpose of fire protection is to respond to fire, medical emergencies, water rescues and chemical spills/hazards within the City in a timely and efficient manner to minimize the loss sustained by citizens and/or businesses in the City. The fire services budget also provides public education in fire prevention, fire safety awareness, and fire extinguisher training.

BUDGETED PERSONNEL LEVEL

This service is provided on a contractual basis. No staffing is allocated to this department. The Administration Department provides contract management for the service contracts and the coordination is provided by the Police Department.

PUBLIC SAFETY – BUILDING INSPECTIONS

PROFILE

The Building Inspection division provides services for all building permit related activities in the City. This includes permits for new construction, additions, alterations and remodels, mechanical, plumbing, and septic systems. This also includes reviewing plans for consistency with relevant codes prior to construction beginning, and also on-site inspections during and after construction. The function also maintains address files with past permit information and completes various state-required reports.

The division is also responsible for the review and inspection of other types of permits including permanent and temporary sign permits, driveway/curb cut permits and sewer/water hookup permits.

The division provides bi-annual fire inspections of all commercial properties in the City. Such inspections include proper material storage, fire suppression devices, emergency exiting and fire lane circulation.

This division coordinates the City's septic system monitoring program. This program requires property owners on individual sewage treatment systems to have their systems pumped and inspected by a private licensed contractor a minimum of once every three years.

This division also provides inspections for construction site erosion and sediment control measures in order to protect water quality and is responsible for regulation and enforcement related to wetlands within the City.

BUDGETED PERSONNEL LEVEL

STAFFING HISTORY & PHILOSOPHY

• The City utilizes contract services for most plan review inspection activities.

• In 2009, staff was allocated to provide zoning plan reviews for structure setbacks, hardcover, and landscaping. In-house staff also provides administrative support and coordinates financial and statistical reporting.

<u>PUBLIC SAFETY – BUILDING INSPECTIONS (Continued)</u>

- In 2010, more accurate allocation of the Administrative Assistant, who provides phone and counter services relating to building inspections, was implemented.
- In 2016, the City Planner was reassigned as Planning Director and the Planning Assistant was budgeted and reassigned at Associate Planner.

PUBLIC SAFETY – EMERGENCY MANAGEMENT

PROFILE

The purpose of the Emergency Management function is to ensure the effective coordinated use of resources to: 1) maximize the protection of life and property, 2) ensure the continuity of government, 3) sustain survivors and 4) repair essential facilities and utilities in the event of a disaster, whether natural or manmade. Emergency Management is headed by the Public Safety Director. The City's emergency plan is reviewed annually and continual training is conducted in accordance with City Ordinance 206.

BUDGETED PERSONNEL LEVEL

The personnel from the Police department provide these services within the scope of their existing duties.

PUBLIC WORKS

PROFILE

Public Works provides maintenance of all City streets, sidewalks and trails, which includes patching, seal coating, crack sealing, sweeping, striping, mowing ditches, shouldering, grading, drainage issues, paving and minor sidewalk and curb repair. Also included are snow and ice control on roads, trails and parking lots, which are provided in a safe and cost effective manner while balancing personnel resources and environmental concerns, as well as servicing all trucks and equipment used. Public Works also provides traffic control, maintenance, replacement and inventory of signage, pavement markings, and street and signal lights. The department also maintains a compost and brush pile that can be utilized by the residents year round.

Public Works is on call 24/7 for all emergencies that may arise. Compliance with safety regulations is provided by the department, including training seminars and testing to maintain the various licensing requirements, and yearly safety training to meet OSHA requirements.

The Public Works Department provides budgeting, pavement management, road material bids, contracting with low bidders, and overseeing all road projects each year, as well as other smaller projects. Public Works is also involved in the set up, and tear down, and post clean-up of Clean-up Day and Medina Celebration Day.

PUBLIC WORKS (continued)

STAFFING HISTORY & PHILOSOPHY

- In 2006, the Public Works Superintendent duties were redefined following retirement of the Public Works Director, which allowed for a higher level of administration and supervision.
- In 2007, a Foreman position was created to manage the day-to-day oversight of the employees working in the field. An On-Call policy was also adopted to compensate staff available for dispatch after hours.
- In 2009 & 2010, the department delayed the replacement of the retiring Equipment Operator. Parttime staffing was utilized for seasonal projects such as snow plowing and street maintenance.
- In 2011, the Street Maintenance position was written to include inspections.
- In 2012, the Public Works Superintendent title was changed to Public Works Director and the Administrative Assistant title was changed to Office Assistant.
- In 2014, a winter temporary position was added, which will become a full-time Public Works Maintenance position in 2015, allocated 50% to public works and 50% to parks.

<u>PARKS</u>

PROFILE

This department represents the consolidation of all park maintenance operating functions. Activities within this department include maintenance and repair of playground equipment, installation and upkeep of park signage, repairs and snow removal on parking lots, dock installation and repairs, park shelter buildings, picnic shelters, irrigation systems, bleachers, benches, restroom and dumpster enclosures to ensure safe, clean and accessible park buildings and equipment. In addition, this department provides basic park turf maintenance including mowing, fertilizing, weed control, and seeding and aerating. It also provides miscellaneous grounds maintenance such as streetscape and flower maintenance, rain garden maintenance, as well as garbage collection and picking up litter. Other responsibilities include maintenance activities for athletic fields, tennis courts, basketball courts, and ice skating rinks.

Special Revenue Funds

Special Revenue Funds are categorized by the specific nature of the source of revenues. Grant and donation funds given for a specific purpose are accounted for as Special Revenue Funds. The Special Revenue Funds for the City of Medina are:

- > Environmental Fund
- Municipal Park Fund
- Field House Operations Fund
- Police Forfeiture Fund
- Police Reserve Equipment Fund
- German Liberal Cemetery Fund
- Community Event Fund
- Cable Franchise Fund

Special Revenue Funds

ENVIRONMENTAL FUND

PROFILE

The Medina Environmental Fund's primary function is to provide for securing land for conservation of natural resources, for parks and open space, and for trails, including partnerships with other agencies on grant applications; secondary uses include: 1) Incentivizing residents to improve storm water run-off management through voluntary installation of rain gardens and other measures in order to benefit the health of lakes and streams; 2) Establishing a program for the installation of curb cuts for interested residents who wish to install rain gardens; 3) Partnering with Storm Water Utility Funds or grant resources to accomplish water improvement projects; 4) Lending funds to landowners to complete wetland mitigation projects that will be repaid to the City when the landowner receives compensation for the mitigation; 5) Implementing Low Impact Development or other sustainable initiatives in City projects; 6) Removing sick and diseased boulevard trees on city land and replacing them; and, 7) Subsidizing the cost of tree stock made available to residents on City Clean Up Day. In 2017, a portion of the annual antenna revenue was allocated from the general fund.

MUNICIPAL PARK FUND

PROFILE

The Municipal Park Fund is to be used by the City Council as they see the need for park projects outside of expenditures within the General Fund. Municipal Park Fund projects are presented through the Capital Improvement Plan. Revenues are generated by donations from individuals, businesses and organizations.

POLICE RESERVE EQUIPMENT FUND

PROFILE

The Medina Police Reserve Equipment Fund is utilized to track donations to the City of Medina in appreciation of the Reserves as well as Charges for Services they provide. These donations are accepted by City Council for various purposes. Various expenditures are approved through the Capital Improvement Program for a period of five years when sufficient funds are available.

Capital Project Funds

The Capital Projects set of funds is used to record and keep track of costs for major projects. Often these projects will cross fiscal years and must be kept separate for assessment accounting or funding purposes. The City's Capital Improvement Program includes a five-year projection of capital improvement needs that will partially be funded from the Capital Project Funds. Some of the funds act as repositories for capital replacement funds for major assets, such as water and sewer infrastructure. The Capital Projects Funds include:

- Park Dedication Fund
- General Capital Improvement Fund
- ➢ Water Capital Improvement Fund
- Sewer Capital Improvement Fund
- ➤ Tax Increment 1-9 Fund
- Tower Drive Improvement Fund
- Equipment Replacement Fund
- Road Improvement Fund

Capital Project Funds

PARK DEDICATION FUND

PROFILE

The Park Dedication Fund is to be used by the City Council as they see the need for park projects, outside of expenditures within the General Fund, which are restricted by the use of Park Dedication Revenues. Park Dedication Fund projects are presented through the Capital Improvement Plan. Revenues are generated from Park Dedication Fees charged on new developments.

GENERAL CAPITAL IMPROVEMENT FUND

PROFILE

The General Capital Improvement Fund provides for the accounting of sources (revenues) and uses (expenditures) of monies available from a number of sources such as the General Fund or grant activity. The City's Capital Improvement Program includes a five-year projection of capital improvement needs that will partially be funded from the Capital Improvement Fund.

WATER CAPITAL IMPROVEMENT FUND

PROFILE

The Water Capital Improvement Fund accounts for the construction of water infrastructure. The financing of these improvements is through a combination of special assessments, water connection fees through development, and bonding. The fund supports debt service payments of the Water enterprise fund as follows:

- 40% for the Water Treatment Plant, Series 2005A bonds (since refunded by the 2012B bonds)
- 100% for the Water Tower, Well, and Raw Water Supply Line, Series 2007A bonds (since refunded by the 2013A bonds)

The City's Capital Improvement Program includes a five-year projection of capital improvement needs that will partially be funded from the Water Capital Improvement Fund.

TAX INCREMENT 1-9 FUND

PROFILE

The Tax Increment 1-9 fund accounts for all tax increment financing (TIF) revenues and expenditures from TIF District 1-9. This TIF District has been the primary financing tool for the redevelopment around the Uptown Hamel area and north Hwy 55 and 101 area. Revenues are derived from tax increments on properties within the TIF District. The TIF District fund makes annual transfers to the 2008A G.O. Bond Fund - Uptown Hamel and 2005C G.O. Tax Increment Bond Fund – Uptown Hamel (since refinanced by the 2012B G.O. Refunding Bonds) as necessary based on annual TIF fund analysis. Payments of principal and interest are also made on two Pay-As-You-Go Tax Increment Notes based on the amount of increment received on various parcels.

EQUIPMENT REPLACEMENT FUND

PROFILE

This fund is a capital improvement fund for replacement of equipment such as Public Works trucks and machinery, police vehicles, fire equipment, and major office equipment. Proceeds from the issuance of Equipment Certificates and transfers from the General Fund have been the primary funding sources. Beginning with the 2015 budget, the City intends to certify a property tax levy specifically for the funding of equipment replacement.

Debt Service Funds

Debt Service Funds track the monies collected and paid for the retirement of bonded debt obligations of the City. Funds are collected in various ways. Some dollars are collected through property tax levies established solely for payment of these obligations. Some dollars are collected through special assessments against specific properties in the City which receive the benefits of debt-financed projects. Tax increments are also dedicated to payment of debt obligations in some cases. If a general pledge of the tax base of the City is made against a bond obligation it is accounted for in the Debt Service Funds. The City's Debt Service Funds include:

- G.O. Bonds 2008 Uptown Hamel Fund
- ➢ G.O. Improvement Bonds 2010A Fund
- ➢ G.O. Improvement Bonds 2011A Fund
- ➢ G.O. Taxable Improvement Bonds 2011B Fund
- ➢ G.O. Capital Improvement Plan Bonds 2012A Fund (PW/PD Facility)
- ➢ G.O. Refunding Bonds 2012B Fund (TIF)
- G.O. Refunding Bonds 2013A Fund (PW/PD Facility)
- G.O. Improvement Bonds 2015A (Tower Drive)
- G.O. Refunding Bonds 2016A (2008A)

Debt Service Funds

G.O. BONDS 2008 UPTOWN HAMEL FUND

PROFILE

These bonds funded Hamel Road infrastructure improvements including streets, water lines, sewer lines and storm sewer utilities in the Uptown Hamel Area. Revenues for payment of this bond issue come from tax increment generated by TIF District 1-9 and special assessments. Expenditures in this fund are for principal and interest on the bonds and agent fees for bond servicing. This debt will be fully retired on February 1, 2024. In 2016, this bond was refinanced as G.O. Refunding Bond 2016A.

G.O. REFUNDING BONDS 2013A FUND

PROFILE

In 2013, the City issued the 2013A G.O. Refunding Bonds to refinance \$1,160,000 of the 2007A G.O. Water Revenue Bonds, with the defeasance occurring on February 1, 2015. A total of \$1.4 million of the remaining outstanding 2007A G.O. Water Revenue Bonds were originally recharacterized as G.O. CIP bonds in 2012 to assist in the financing of improvements of the building at 600 Clydesdale Trail for use as the Medina public works/police facility.

Revenues for payment of this bond issue come from the property tax levy, Water Fund (9%), and Sewer Fund (11%). Expenditures in this fund are for principal and interest on the bonds and paying agent fees for bond servicing. This debt will be fully retired on February 1, 2023.

G.O. IMPROVEMENT BONDS 2015A FUND

PROFILE

In 2015, the City issued \$1,765,000 of 2015A G.O. Improvement Bonds to finance improvements to Tower Drive. Other sources for the project included MSA, park dedication, grant, and utility funds. The project is accounted for in the Tower Drive capital projects fund.

Revenues for payment of this bond issue come from the property tax levy and special assessments. Expenditures in this fund are for principal and interest on the bonds and paying agent fees for bond servicing. This debt will be fully retired on February 1, 2031.

G.O. REFUNDING BONDS 2016A FUND

<u>PROFILE</u>

In 2016, the City issued the 2016A G.O. Refunding Bonds to refinance \$2,280,000 of the 2008A G.O. Improvement Bonds, with the defeasance occurring on February 1, 2017. Revenues for payment of this bond issue come from tax increments generated by TIF District 1-9 and special assessments. Expenditures in this fund are for principal and interest on the bonds and agent fees for bond servicing. This debt will be fully retired on February 1, 2024.

Public Utility Funds

The Public Utility Funds track the revenues and expenses for fee based public utility services provided by the City. These funds operate on their own ability to generate revenues and receive no property tax support. Each year the City Council reviews the operations of these funds and sets rates for each service based on the needs for general operations, capital spending and debt service payments. The public utilities in 2017 include:

- ➢ Water Utility Fund
- Sewer Utility Fund
- Storm Water Utility Fund

WATER UTILITY FUND

PROFILE

The Water Utility Fund provides for the distribution of potable water to customers. This fund includes the operations, administration and utility billing for the utility. The City has three separate water systems which it maintains: Hamel, Independence Beach and Medina Morningside. Water is supplied by ten municipal wells, and the Hamel system utilizes a water treatment facility. Also included in the Water Fund along with providing the water is the maintenance of meters, locating water mains and services, testing of the municipal water supply throughout the systems as required, preventative maintenance, and emergency repairs to the City's distribution system. The utility billing operation prepares and sends out utility bills, receives meter readings and administers the collections and assessment for nonpayment. Agreements with the cities of Maple Plain and Orono are also in place to provide water to separate developments within the City of Medina.

OVERVIEW

Operating revenues are budgeted to increase \$24,185. A 3% charge for services rate increase supported by the 2012-2013 Water Rate Analysis. Operating expenses (excluding transfers) are budgeted to increase \$12,192. Transfers out to the General Fund for operating costs were reviewed in 2012, and show a budgeted increase of approximately 3%.

In 2012, the City issued \$6.1 million of 2012A G.O. Capital Improvement Plan Bonds to fund the 2012 purchase and improvement of the building at 600 Clydesdale Trail for use as the Medina public works/police facility. The Water Fund will be transferring amounts equal to 9% of the debt service payments on the CIP bonds through February 1, 2034. Additionally, in 2012, the City recharacterized \$1.4 million of the remaining outstanding 2007A G.O. Water Revenue bonds. The debt was removed from the Water Fund as revenue bonds and was correspondingly reestablished as CIP bonds to assist in the financing of improvements of the building at 600 Clydesdale Trail for use as the Medina public works/police facility. The Water Fund will be transferring amounts equal to 9% of the debt service payments on the recharacterized bonds (since refinanced by the 2013A G.O. Refunding Bonds) through February 1, 2023.

SEWER UTILITY FUND

PROFILE

The Sewer Utility Fund provides for the collection and conveyance of wastewater through a system of mains and lift stations. Sewage is treated by the Metropolitan Council Environmental Services, whose fees account for a significant portion of this fund's expenses. Included in this fund is the routine and preventative maintenance of the City's collection system and its appurtenances, monitoring of inflow and infiltration, television inspection of the interiors of mains, and customer service such as providing sewer locations. This activity involves the operation and maintenance of the City's ten lift stations, which includes buildings, equipment, and property. The utility billing operation prepares and sends out utility bills, and administers the collections and assessment for nonpayment. An agreement with the City of Plymouth is also in place to provide sewer service to an area within the City of Medina.

OVERVIEW

Operating revenues are budgeted to increase by \$16,981. Rates are scheduled to increase by 3% as supported by the sewer rate analysis. Operating expenses are projected to increase by \$44,069. Transfers out to the General Fund for operating costs were reviewed in 2012, and show a budgeted increase of approximately 3%.

In 2012, the City issued \$6.1 million of 2012A G.O. Capital Improvement Plan Bonds to fund the 2012 purchase and improvement of the building at 600 Clydesdale Trail for use as the Medina public works/police facility. The Sewer Fund will be transferring amounts equal to 11% of the debt service payments on the CIP bonds through February 1, 2034. Additionally, in 2012, the City recharacterized \$1.4 million of the remaining outstanding 2007A G.O. Water Revenue bonds. The debt was removed from the Water Fund as revenue bonds and was correspondingly reestablished as CIP bonds to assist in the financing of improvements of the building at 600 Clydesdale Trail for use as the Medina public works/police facility. The Sewer Fund will be transferring amounts equal to 11% of the debt service payments on the recharacterized bonds (since refinanced by the 2013A G.O. Refunding Bonds) through February 1, 2023.

STORM WATER UTILITY FUND

PROFILE

The Storm Water Utility Fund provides for the collection and management of storm water throughout the City in compliance with State and Federal regulatory requirements. The Storm Water Utility provides for regional planning, surface water quality monitoring, and compliance with the Wetlands Conservation Act, approved Total Maximum Daily Loads (TMDL's) to impaired bodies of water and mandated Storm Water Pollution Prevention Program (SWPPP).

OVERVIEW

Operating revenues are budgeted at a 3% rate increase, or \$5,933.

Operating expenses are budgeted to increase by \$4,891. Potential projects are comprised of Best Management Practices (BMP's) implemented in the City's SWPPP, TMDL Implementation Plan(s), Loretto Wetland Restoration/Creation, Water Quality improvements relating to Hamel Road Tower Drive project, Stream, Ditch, and Wetland Restoration, other wetland restoration in MCWD area, and other general projects recommended by the Public Works Director and City Administrator. Grant funding is likely necessary for the completion of major projects.

Capital Improvement Program

The Capital Improvement Program (CIP) is a planning document that presents a five-year overview of scheduled capital projects to address the City's goals for maintaining public infrastructure. The CIP includes a long-term financing plan that allows the City to allocate funds for these projects based on assigned priorities. The five-years within the CIP provides the City with an opportunity to evaluate project priorities annually and to adjust the timing, scope and cost of projects as new information becomes available. The information contained in this plan represents an estimate of improvement costs based on present knowledge and expected conditions.

A capital improvement is defined as a major non-recurring expenditure related to the City's physical facilities and grounds. The CIP also distinguishes between projects contained in the City's operating budgets and capital improvement projects financed through the City's capital funds and public utility funds.

The CIP is predicated on the goals and policies established by the City Council, including general development, redevelopment, and maintenance policies that are part of the City's Comprehensive Plan. A primary objective of the CIP is to identify projects that further these goals and policies in a manner consistent with funding opportunities and in coordination with other improvement projects.

(The CIP will be compiled and presented separately.)

Fee Schedule

The City Council adopts an ordinance which revises the City's fee schedule, including fees for land use, liquor licensing, public safety, and other permits issued by the City. It also establishes rates for sanitary sewer, water, storm water, and other services.

(The fee schedule will be compiled and presented separately.)
