PURPOSE: The purpose and intent of this section is to establish regulations that will allow law enforcement access to Minnesota's Computerized Criminal History information for specified non-criminal purposes of employment background checks for the positions described in Section 211.02.

Section 211.02 Criminal History Employment Background Investigations. The Medina Police Department is hereby required, as the exclusive entity within the City, to do a criminal history background investigation on the applicants for the following positions within the city, unless the City Council or City Administrator concludes that a background investigation is not needed:

Employment positions:

All regular part-time or full-time employees of the City of Medina, other positions that work with children or vulnerable adults, and volunteer/paid on-call fire employees.

In conducting the criminal history background investigation in order to screen employment applicants, the Police Department is authorized to access data maintained in the Minnesota Bureau of Criminal Apprehensions Computerized Criminal History information system in accordance with BCA policy. Any data that is accessed and acquired shall be maintained at the Police Department under the care and custody of the chief law enforcement official or his or her designee. A summary of the results of the Computerized Criminal History data may be released by the Police Department to the hiring authority, including the City Council, the City Administrator, and other city staff involved in the hiring process.

The written consent must fully comply with the provisions of Minn. Stat. Chap. 13 regarding the collection, maintenance and use of the information. Except for the positions set forth in Minnesota Statutes Section 364.09, the city will not reject an applicant for employment on the basis of the applicant's prior conviction unless the crime is directly related to the position of employment sought and the conviction is for a felony, gross misdemeanor, or misdemeanor with a jail sentence.
