

Map 3-2.A Wetland Functional Assessment

Management Classification

- M1 - Manage 1
- M2 - Manage 2
- M3 - Manage 3
- P - Preserve

Wetland boundaries shown are approximate. The boundaries shown on this map were not delineated and do not represent the actual extent of the wetland. Efforts were taken to ensure that all wetlands within the study site were evaluated; however, the unintentional omission of a wetland does not grant permission to impact a wetland before going through the proper permitting process.
