Checklist:

Please review the checklist for the type of application you are requesting. Minnesota State Statute provides the City of Medina 15 business days to determine the application's completeness. Completeness depends on whether or not the checklist items are fulfilled.

Review Deadline and Timeline:

All applications must be received by the deadlines noted on the attached sheet. Failure to submit by the date shown will result in a delay in the scheduling of the application or the project. Meeting the deadline does not guarantee that an application will be heard at the next meeting. In fact, to improve likelihood of appearing on an agenda, it is recommended that applications be submitted earlier than deadline.

Most applications have a Statutory review period of 60 days, with the City's ability (which includes city staff) to extend an additional 60 days if necessary due to insufficient information, directive to provide additional information, the tabling or postponement of an application, lack of quorum, or schedules.

Application for Planning Consideration Fee Statement

(Please read carefully and understand your responsibilities associated with this land use application)

The City of Medina has set forth a fee schedule for the year 2018 by City Ordinance (SEE ATTACHED EXHIBIT -A). However, projects of large scope that include two or more requests may be required to provide a higher deposit than the resolution sets forth as determined by the City Administrator. The fees collected for land use projects are collected as deposits only. ALL invoices associated with each land use application will be billed directly to the applicant immediately upon receipt by the City for each project. The City of Medina often utilizes consulting firms to assist in the review of projects. The consultant and City rates are shown at the bottom of this form. By signing this form, the Applicant accepts sole responsibility for any and all fees associated with the land use application from the plan review stage; the construction monitoring stage; and all the way through to the release of any financial guarantees for an approved project. In the event the Applicant fails to make payment of all fees associated with the project, and the Deposit noted herein is not sufficient to cover said costs, the City of Medina will assess any unpaid or delinquent fees related to this application or project against the subject property. If a project is denied by the City Council or withdrawn by the Applicant, the fees associated for the project until such denial or withdrawal, remain the Applicant's responsibility.

I/WE UNDERSTAND THE FEE STATEMENT AND RESPONSIBILITIES ASSOCIATED WITH THIS LAND USE APPLICATION:
