# HAMEL COMMUNITY BUILDING

The Hamel Community Building opened in January 2005. The facility is primarily a result of donations raised in the local community through the efforts of the Hamel Lions Club. The interior assembly hall has large windows, and vaulted ceilings complete with pendant lighting and fans. The facility also has interior and exterior bathrooms, warming house, drinking fountains, coat area, air conditioning, round and rectangular tables and chairs for set-up, a rear patio with tables, and a service area with an industrial refrigerator and freezer.

The building holds 120 people at tables for receptions, or 150 people for speaking style events.

The facility's service area includes a service window with a retractable stainless steel door, stainless steel counters, sink area, refrigerator/freezer, microwave, coffee maker, and a rear entrance.
