

Medina Area Sewer Improvements Project

OPEN HOUSE CANCELED

In an effort to exercise an abundance of caution as the COVID-19 outbreak evolves, MCES is proactively canceling certain discretionary meetings over the next month. That includes the Medina Area Sewer Improvements Project Open House on Thursday, March 19, at Medina City Hall. We will consider rescheduling at a future date.

We regret any inconvenience this may cause. Thank you for your patience and please let us know if you have any questions. Please refer to metro council.org/covid19 for the most up-to-date information regarding our response and the impact to Metropolitan Council services.

For More Information
