2130.1 POLICY

Bilingual employees offer an important contribution in providing service to non-English speaking persons who have contact with our department.

Generally, the department will attempt to use officers from the Medina Police Department or other law enforcement agencies when available for translating purposes. In the event a police officer is not available, the officer will utilize the contracted language line company.

The telephone number to the language line is located in the booking room and in each of the squad cell phones.
