2280.1 - OBJECTIVES

A. The objectives of this department in dealing with these situations are to:

1. Save lives;
2. Neutralize threats.

2280.2 - GENERAL DISCUSSION

- A. The procedure is to follow the Southwest Hennepin Regional Response to Mass Casualty/Active Shooter Plan (see attached) presented as a guideline which personnel should use when initially confronted with an active shooter situation. It is based on the premise that the safety of the public and the lives of innocent parties are going to be lost if immediate action isn't taken.
- B. It is impossible to set forth the exact procedures personnel should follow in every situation. It is, however, expected that they will exercise their best judgment in applying these guidelines to specific cases.
