

Park Bench or Picnic Table Donation Program

The City of Medina Park Bench or Picnic Table Donation Program enables people to donate a bench or picnic table to any Medina city park. Donating a bench or picnic table is a personal and generous way to honor a loved one and contribute a lasting gift to the community.

The bench or picnic table is made of recycled plastic planks attached to bronze powder coat metal frames and mounted in a concrete base. The cast-bronze plaques are flush mounted into the bench or picnic table.

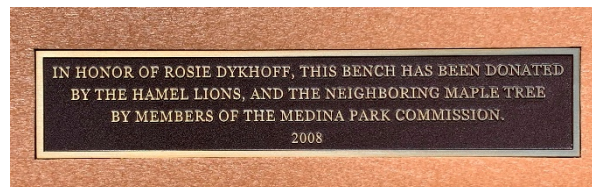

Due to unprecedented fluctuating costs, the price will be quoted at time of inquiry. The current estimated cost for a bench is \$1,565.00 and for a picnic table is \$2,180.00. To initiate the quote process complete and forward this form to Lisa DeMars at lisa.demars@medinamn.gov or 763-473-8852.
