Are lane closures or detouring of traffic necessary? Yes No

If yes, state duration and suggested route for each instance. Please attach a detour map and /or traffic control plan:

Detours: All detour plans and/or traffic control plans are required as part of this permit and must be pre-approved in writing by the Public Works Department. The City Engineer shall be notified in writing at least three (3) working days in advance of any approved detour being established, changed or discontinued.

Payment Method: Invoice Email a link to pay via credit card (service fee applies)

Work shall not commence before 7:00 a.m. nor extend beyond sundown Monday through Friday. On Saturdays, the hours will be from 8:00 a.m. to 6:00 p.m. No work is to be done on Sundays.

Permit approval extends to the City's Right-of-Way only; the City does not have authority to approve work within private easements.

By accepting the Right-of-Way Permit, permittee agrees: (1) to abide by the permit terms and the City's Right-of-Way Ordinance, (2) to pay all applicable fees and provide any required insurance, and (3) to indemnify and hold harmless the City, its officials, employees and agents from any liability, claim or damage including reasonable attorney's fees arising out of the Permittee's actions or inaction undertaken pursuant to the permit. (4) to restore area to pre-construction condition
